Announcement

A cordial invitation is extended to everybody interested in Shorthorn Cattle to join us in this thirty-sixth annual sale of the Interstate Shorthorn Breeders Association to be held in Sioux City.

We do not have quite so many cattle this year as usual but the cattle have been carefully selected and the quality is probably higher than ever before, judging from the pedigrees and photographs already received. You may come to this sale with every confidence the cattle will measure up to all expectations. We would like to finish the sale as early as possible so those driving from a distance may get home by chore time. To this end, we are requesting consigners to refrain from taking time for comments while leading their animals in the sale ring. Your cooperation will be much appreciated.

JUDGING CONTEST

The judging contest will be held again this year, on Monday afternoon, March 7th, open to 4-H and FFA members who may be recommended by their County Agent or Agricultural Leader. \$200.00 offered in prizes of \$60.00, \$50.00, \$40.00, \$30.00 and \$20.00 respectively, winnings to apply on the purchase price of any heifers in this sale. Two classes of bulls and two classes of heifers will be judged. The contest will be under the management of Wm. Imlau of Des Moines, Iowa, who may appoint such helpers as he may want.

GENERAL INFORMATION

As heretofore, the sale will be at the Horse and Mule Barns at the Sioux City Stock Yards. The cattle may be inspected Saturday or Sunday before the sale if desired. The judging will begin at 10:00 A. M. on Monday and the sale at 12:30 sharp on Tuesday, March 8th. At 6:30 Monday evening, the annual business meeting and banquet will be held at the Mayfair Hotel, to which everyone interested in Shorthorns is cordially invited. This year, a charge of \$2.00 per ticket will be made to partially cover the cost of our banquet. Mark C. Cord will be master of ceremonies and arrange the entertainment.

Had not intended to sell this heifer but decided to consign her to fill out the sale number. Not fitted for the sale but has the type, quality, smoothness and breeding to make a profitable brood cow. She is a descendant of Maxwalton Augusta 9th, by Avondale, that I purchased in 1913, and later resold her to Bellows Bros. for \$4,000.00. I had not intended to consign this heifer but after several animals were withdrawn and we were short of our usual number of cattle for this sale, decided to list a couple of heifers, to fill out the sale. Rosewood M 2nd is a beautiful red daughter of Mondamin Prime Lad. She has the thick, smooth flesh covering over the back and sides that characterizes the get of her sire. Such a heifer with a Goldfinder background should be the kind to buy.
